

Paige is the daughter of HSY Ambrose and HSY Persephone, two award winning yaks. She is also the full sister to HSY Percy, a bull that we've been using for several years.

Paige is exceptionally gentle. She's a bit shy with other yaks, but seems to really like people. She eats from your hand.

Paige is a royal that carries one copy of the imperial nose gene. We've been waiting to register her until the new DNA test becomes available, since it will be able to verify that genetically she is both a royal and an imperial. The release of that test has been delayed, we've now submitted her registration materials anyway. We expect the results to be back in February 2021.
